'have life and have it to the full'

This policy is written in accordance with the requirements of the Catholic Schools Inspectorate (CSI), the guidance of the Catholic Bishops' Conference of England and Wales, the Catholic Education Service, and the Archdiocese of Cardiff-Menevia. It reflects the Archdiocesan model RSE policy and is faithful to the teaching and mission of the Catholic Church.

Intent

As a Catholic primary school within the Archdiocese of Cardiff–Menevia, Our Lady's Catholic Primary School uses the term Relationship and Sex Education (RSE) to reflect the Church's understanding that education about sexuality is inseparable from education about relationships, love, and the formation of the whole human person. Sex education is therefore presented within the wider context of relationship education, which concerns all aspects of growing into a fulfilled, virtuous, and joyful human life.

The central belief of Christianity is the Incarnation: that God became human in Jesus Christ. This truth endows every human person with an inherent and inviolable dignity, surpassing that of all other created life. The human body shares in this dignity and is not incidental to the person; rather, it is integral to personal identity and is the dwelling place, the *"temple of the Holy Spirit"* (1 Corinthians 6:19). Consequently, any teaching about relationships, love, and sexuality must be firmly rooted in this Christian anthropology and in the teaching of the Catholic Church on marriage, family life, chastity, and vocation.

The Church educates young people as part of their integral human formation. Education in human love and relationships is therefore an essential responsibility of a Catholic school, alongside academic subjects such as Mathematics or English, and contributes to the formation of conscience, character, and virtue.

Aims (CSI Judgement: Religious Education and Catholic Life)

At Our Lady's Catholic Primary School we aim to:

- Teach children how to grow in healthy and loving relationships, recognising that their first experience of love is within the family.
- Encourage children from the earliest age to recognise that they are created in the image and likeness of God and that every person possesses God-given dignity.
- Support children, as they mature, to follow the example of Jesus Christ and to live according to the Gospel, responding to His commandment: *"This is my commandment, that you love one another as I have loved you"* (John 15:12).

These principles form the foundation of all relationships within the school community. Teaching about relationships is underpinned by Christian virtue and informed by the Catechism of the Catholic Church.

'have life and have it to the full'

Educational Context and Guidance

Statutory guidance indicates that RSE should build upon children's lived experiences, be sensitive to family contexts, promote positive attitudes and values, develop personal and social skills, and increase knowledge and understanding appropriate to age and maturity, including aspects of health and well-being. Our approach fully supports these aims, while locating them within a Catholic understanding of the human person, as reflected in the guidance of the Catholic Bishops' Conference of England and Wales (CBCEW) and the Catholic Education Service (CES).

At Our Lady's Catholic Primary School, we seek to deepen pupils' understanding by enabling them to:

- Develop self-knowledge and a proper respect for themselves as children of God.
- Grow in a loving and prayerful relationship with God.
- Understand that their lives have purpose and meaning within God's plan.
- Form relationships with others that are characterised by mutual respect, care, and love as expressions of God's love.
- Gain an age-appropriate understanding of the Church's teaching on virtue, human sexuality, marriage, and parenthood.
- Develop a strong awareness of personal safety, appropriate boundaries, and consent.
- Acquire an age-appropriate understanding of the law in England and Wales relating to relationships, marriage, and equality, presented in a manner consistent with Catholic teaching.

Implementation

(CSI Judgement: Leadership, Formation and Witness)

Inspired by the life and teaching of Jesus Christ, Our Lady's Catholic Primary School seeks to be a community where love, respect, and responsibility shape all relationships. The Beatitudes guide pupils towards a vision of happiness rooted in holiness, service, and love of neighbour.

We recognise that flourishing relationships with self, others, and God enable children to grow and thrive. Each person is unique, willed by God, and called to grow in love through Jesus Christ and in the power of the Holy Spirit.

This is achieved by:

- Remaining faithful to the Church's vision of the human person while engaging thoughtfully with the contemporary context.

'have life and have it to the full'

- Recognising and supporting parents as the primary educators of their children.
- Presenting a positive and life-affirming understanding of human sexuality and personal dignity.
- Helping pupils develop practical wisdom and moral discernment.
- Exploring and promoting virtues that uphold respect, responsibility, and dignity.
- Ensuring all content is age-appropriate and developmentally suitable.
- Integrating RSE across the curriculum, particularly in Religious Education, Science, Physical Education, and Computing.
- Responding sensitively to the needs of individual pupils.
- Ensuring governors and staff treat RSE as an integral part of the Catholic curriculum.
- Ensuring RSE is delivered by appropriately trained staff who understand and support the Church's teaching.

Statutory Framework

RSE is delivered in accordance with:

- Relationships Education, Relationships and Sex Education (RSE) and Health Education Statutory Guidance for England (DfE)

This statutory guidance is interpreted and implemented in a manner consistent with Catholic doctrine and the guidance of the Archdiocese of Cardiff–Menevia.

Programme of Study and Resources

The Archdiocese recommends appropriate resources for use across its schools, supporting pupils aged 3–19. At Our Lady's Catholic Primary School, RSE is taught through discrete lessons, cross-curricular links (particularly RE and Science), assemblies, and the lived ethos of the school, with Christ at the centre of all relationships.

Approved resources include:

- *In God's Name* (RE Scheme) – Reception to Year 6
- *A Fertile Heart* – Year 1 to Year 6
- *Jesuit Pupil Profile* – Reception to Year 6
- *Ten:Ten Life to the Full* – Reception to Year 6
- Selected elements of Jigsaw PSHE

Themed weeks (e.g. Anti-Bullying Week, Mental Health Awareness, E-Safety) and contributions from RE, Science, PE, and Computing further support the curriculum.

External visitors may support learning where appropriate and are required to follow CES and school protocols.

Inclusion

(Dignity of the Human Person)

We recognise that children mature at different rates and come from diverse family, cultural, and faith backgrounds. Teaching is sensitive to these differences and encourages respectful dialogue, while remaining faithful to Catholic teaching.

Appropriate curricular provision ensures that all pupils:

- Are supported according to their educational and behavioural needs
- Have access to a range of teaching approaches
- Are enabled to participate fully in school life

Equality

(Public Sector Equality Duty in a Catholic Context)

The governing body fulfils its duties under the Equality Act 2010 and the Public Sector Equality Duty. Our Lady's Catholic Primary School is committed to the dignity of every pupil and seeks to serve all members of its community with respect and fairness, in a manner consistent with Catholic teaching on the human person. Reference is made to CES guidance on equality and Catholic education.

Parents and Carers

(Parental Primacy in Education)

The Church recognises parents as the first and primary educators of their children. The school supports parents in fulfilling this role, particularly in RSE, by complementing and assisting family life. Parents are consulted on this policy, invited to view resources, and informed of their rights regarding withdrawal where applicable. Open dialogue with parents is a priority.

Safeguarding and Pastoral Support

(Pastoral Care and Protection)

RSE is delivered within the school's safeguarding framework. Teaching is differentiated and sensitive, and pupils are informed of available pastoral support. Any concerns raised through pupil questions or disclosures are managed in accordance with the school's safeguarding and child protection policies, and in line with DfE and CES guidance.

'have life and have it to the full'

Virtues and Values

(Formation of Conscience and Character)

RSE is grounded in Gospel values and the virtues articulated in the *Catechism of the Catholic Church*. Pupils are formed in the theological virtues of faith, hope, and charity, and the cardinal virtues of prudence, justice, fortitude, and temperance. These virtues are embedded through the *Jesuit Pupil Profile* and the wider life of the school.

Pupils are encouraged to grow as individuals who are grateful, discerning, compassionate, faith-filled, truthful, wise, curious, active, intentional, and prophetic.

Impact

(CSI Outcomes and Evidence of Effectiveness)

As a result of this approach:

- Pupils develop reverence for themselves and others as children of God.
- Pupils take responsibility for their actions and contribute positively to school life.
- Pupils grow in emotional literacy, empathy, and moral responsibility.
- Pupils learn to safeguard their dignity and that of others, including online.
- Pupils know where to seek help and support when relationships become challenging.
