

Geography Curriculum Map

Curriculum Map for Geography: at Our Lady's Catholic Primary School

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn	Where do I know about where I live in the UK? <i>(including weather)</i>	Where in the world do I live? <i>(including studying London capital city)</i>	Where in the U.K. is Hereford? <i>(including counties and regions)</i>	What are Biomes and how are they created?	What are the main features of South America?	How do maps help us find our way around?
Spring	Why do we recycle?	Why do we love to be beside the seaside?	How is a river formed?	What causes a volcano?	What causes an earthquake?	How were mountains formed?
Summer	Why are some places cold and some places hot?	How different would my life be if I lived in Kenya?	What are the important features of Europe? Why do British people go to the Mediterranean for their holidays?	How do we energise our homes?	What creates a rainforest and where are they located? What are the similarities and differences between the Forest of Dean and the Amazon Rainforest?	Why is climate change such an important topic?
Local study week History and Geography	Use simple compass directions, locational and directional language to describe routes on a map. Who were and are the famous people of the UK and Hereford? <i>(Edward Elgar statue)</i>	Use aerial photographs to recognise landmarks and devise a simple amp. Why did Herefordshire have castles? <i>(Hereford and Goodrich castle)</i>	Name and locate counties in the UK and identify topographical features. How did the Iron Age impact Herefordshire? <i>(Iron Age fort Credenhill)</i>	Name and locate cities in the UK and identify human features. Why is Hereford a city? <i>(Cathedral)</i>	Describe and understand types of settlement. How did the Anglo Saxons impact Hereford? <i>(Cathedral, Owen St wall)</i>	How has land use changed over time. How and why did land use change during WW2 in Herefordshire? <i>(Herford racecourse and Berrington Hall, Rotherwas munitions factory)</i>
